--------------	--------------------------------	---	-----------------------

Purpose:

Establish a contract from the items listed for all state agencies (law enforcement rounds: pistol, rifles and shotguns as well as training rounds). Contract prices are available to all local governmental agencies.

Award:

Award will be by individual item to the responsible bidder meeting all specifications and offering the highest discount.

Once the contract is awarded, the price list may be updated once a year at the time of contract renewal.

Product Liability Insurance:

Distributor/manufacture must maintain a \$1,000,000 product liability policy covering the contract period and one year from the receive date of the last shipment against the contract.

Contract Period:

Establish a 12-month contract with an option to extend for a second, third, fourth, and fifth 12-month period with the same pricing, terms and conditions. The second, third, fourth, or fifth 12-month period, if agreed by both parties, would begin the day after the first, second, third, or fourth 12-month period expires. Any successive extension must have written approval of both the state and vendor no later than 30 days prior to expiration of the previous 12-month period.

Default:

When a vendor defaults on a contract/purchase order, the State can procure the goods or services from other sources and hold the vendor responsible for any excess in price/handling. The vendor may be barred from bidding for an indeterminate period per the Code of Administrative Procedure.

Freight:

Bid is F.O.B. destination. Any freight charges must be included in the bid prices. Do not include freight as separate line item.

If expedited shipping is requested, those charges may be passed on to the end user. Any expedited rate charges must be substantiated with written documentation from the courier or USPS.

Delivery Time Frame:

All items ordered must be delivered to the "ship to" address shown on the purchase order within thirty (30) days of vendor's receipt of order.

Any delay in delivery must immediately be relayed to the ordering agency. The agency has the option to cancel the order.

Order Quantities:

There is no minimum quantity order allowed. All orders will be for a full case/box/container as packaged by the manufacturer.
